FONE|LIGHT

AKA SERIES

Our garden and outdoor
lighting products.

OUR STORY

At FoneLight Technologies, we design and manufacture indoor & outdoor lighting products that turn darkness into a unique visual experience. Our passion is to produce lighting products that create a high prestigious impression and satisfaction in people's lives! Our product development policy is simple; the more minimal and functional, the better the visual experience. The power of FoneLight is behind what people expect to see. We aim to provide FoneLight's modern and smart lighting products all over the globe. While making this vision come true, our main motivation is providing a seamless customer experience. Our Vision Our vision is to become an international leading lighting product manufacturer designing and producing innovative and smart lighting products that will enlighten all the continents. Our Mission Continuous development is the key point for us. Designing the lighting products that people expect in the markets around the globe is a responsibility for our team. Our Values We care about our partners, customers, and the environment! Therefore, we manufacture high-tech/quality products with eco-friendly features in line with sustainable production standards.

OUR VISION

Our vision is to become an international leading lighting product manufacturer designing and producing innovative and smart lighting products that will enlighten all the continents.

OUR MISSION

Continuous development is the key point for us. Designing the lighting products that people expect in the markets around the globe is a responsibility for our team.

OUR VALUES

We care about our partners, customers, and the environment!
Therefore, we manufacture high-tech/quality products with eco-friendly features in line with sustainable production standards.

Since 2019

FONE|LIGHT®
TECHNOLOGIES

Aka Series

We design and manufacture modern and high-quality outdoor lighting products, mainly garden lighting. Aluminum-body LED bollard models, wall sconces, lighting poles and more… Our passion is to transform darkness into pleasant living spaces through quality lighting.
